

EXPERIENCE YOUR OWN 4x4 ADVENTURE

ABOVE & BEYOND

ADVANCED ADVENTURE TREK DAY

SATURDAY 19 DECEMBER 2020

This Adventure Trek Day is designed for those with some off-road driving experience. More challenging than our usual trek days, this event is suited to those with larger 4x4s and a bit more confidence in off-road driving. Our highly qualified instructors will lead you off-road through spectacular Perthshire countryside, using tracks not available to the public. Bring your family with you for a great day out!

The day starts at 10am at the Land Rover Experience centre at Butterstone Loch, a beautiful setting with stunning views across the loch. We will be following a different route from our usual trek days, with more challenging terrain suitable only for larger 4x4 vehicles. We have access to tracks not open to the general public, taking you up into the hills of Highland Perthshire and stopping for a picnic lunch along the way. The day will finish around 4pm.

What kind of vehicle? This Advanced Trek Day is designed for larger 4x4s with good ground clearance, eg Defender, Discovery and larger non Land Rover 4x4s. We would advise you to take out off-road insurance for your car. Vehicles must be taxed and fit for purpose, with good tyres, and be suitable for on-road as well as off-road driving. Side steps and body kits are not advised due to the risk of grounding out, and low profile tyres and alloys could be subject to damage. Tow balls should be taken off although this is not always practical; if so there will be a risk of grounding out.

How much? £125 per vehicle.

What should I bring? Picnic lunch and refreshments for the day. You are welcome to bring family with you in the car, as long as everyone is wearing a seat belt at all times.

Keeping everyone safe: You will be in your own car with members of your family, and social distancing will be required when we stop for our picnic lunch.

How to book: Call us on 01350 727720 or email info@landroverexperiencescotland.co.uk
