

# EXPERIENCE YOUR OWN 4X4 ADVENTURE

## ATHOLL ESTATES DAYTIME TREK SATURDAY 18TH OCTOBER £175 PER VEHICLE

Enjoy a fun day of off-road driving in your own vehicle with expert help at hand. Our highly qualified instructors will lead you off-road through spectacular Perthshire countryside, using tracks not available to the public. Bring your family and a picnic with you for a great day out!

The day will start at 10am at the Land Rover Experience centre at Butterstone Loch, a beautiful setting with stunning views across the loch. From there we will head to the off-road tracks at our driving centre in Dunkeld. The morning will be spent having fun on the vehicle assault course, where you can practise your off-road skills, then the group will depart in convoy to explore private tracks in the Perthshire countryside. We will stop en-route for a picnic lunch then spend the rest of the afternoon in the hills above Dunkeld. The day will finish at around 4pm.

### What kind of vehicle?

Vehicles will need sufficient ground clearance for the routes we will be using, so give us a call if you are unsure whether your vehicle is suitable. Land Rovers and non-Land Rovers are all welcome. We would advise you to take out off-road insurance for your car. Vehicles must be taxed and fit for purpose, with good tyres, and be suitable for on-road as well as off-road driving. Side steps and body kits are not advised due to the risk of grounding out. Tow balls should be taken off although this is not always practical; if so there will be a risk of grounding out.

Keeping everyone safe: You are welcome to bring family or friends with you in your car, as long as everyone is wearing a seat belt at all times.

**How to book:** To book a place, call us on 01350 727720 or email [info@landroverexperiencescotland.co.uk](mailto:info@landroverexperiencescotland.co.uk)
