

EXPERIENCE

A 4X4 SANTA TREK ADVENTURE

THE SANTA TREK

SATURDAY 13TH DECEMBER

£195 PER VEHICLE

Swap reindeer for horsepower and join us on a festive Santa Trek, where your 4x4 becomes Santa's sleigh for the day!

We'll set off from Butterstone Loch at 10am, heading into the hills on private tracks for a special off-road journey that everyone in the family can enjoy. Conquer rugged terrain, the rock crawl and challenging obstacles along the way.

Midway through the adventure, we'll arrive at **Santa's Stop** in the hills, where you can warm up with **hot chocolate** and **mince pies**. Each car will also receive a **special gift package from Santa** – and hidden in one of those packages will be the **Golden Ticket**, a **£180 voucher** to spend on any of our experiences!

It's the perfect chance to soak up the festive atmosphere and capture some magical moments with family and friends.

As the trek continues, we'll make our way back down, returning to Butterstone Loch around 4pm – just as the winter light fades, the moon begins to rise, and darkness starts to settle over the hills. A truly memorable way to kick off the Christmas season!

🎄 Festive fun for everyone

This trek is designed with families in mind, but it's also perfect for couples and solo drivers who want to join the Christmas adventure. We encourage everyone to get into the spirit with Christmas jumpers, Santa hats and festive cheer.

Why not go a step further and **turn your 4x4 into Santa's sleigh**? Add tinsel, lights, or decorations to make your vehicle shine – there will even be a **prize** for the best-dressed car and passengers! Just remember, all passengers must be safely strapped in with seat belts at all times.

🚗 What kind of vehicle?

The Santa Trek is for larger 4x4s (e.g. Discovery, Defender, Range Rover and non-Land Rover equivalents). Vehicles will need sufficient ground clearance for the routes we'll be using. Not sure if your car is suitable? Just give us a call. Land Rovers and non-Land Rovers are all welcome!

We recommend taking out off-road insurance for your vehicle. Cars must be taxed, roadworthy, and suitable for both on-road and off-road driving. Side steps and body kits are not advised, as they may ground out on the tracks. Tow balls should be removed where possible.

📞 How to book

Call us on 01350 727720 or email info@landroverexperiencescotland.co.uk to reserve your place.

🌟 It's time to drive, explore, and celebrate Christmas the Land Rover way – rugged tracks, festive cheer, and memories to last a lifetime. 🌟
