SUMMER ADVENTURE TREK

SATURDAY 20TH JUNE

Under the Stars looks a little bit different this year. Join us for an unforgettable summer adventure day trek. Following our successful events over the past 3 years, we're back but with a slightly different set up. This self drive trek is a day for all 4x4 enthusiasts – a chance to get together, drive your own car through stunning landscapes, enjoy the Dunkeld Park forest drives, take on some challenging obstacles and soak it all in with an incredible scenic lunch and coffee stop along the way.

WHAT'S INVOLVED?
